This application relates to an incident of a serious disorder and Violent crime at the Red Rooms, 4 Great Queen Street, WC2B 5DG.

On Sunday 15th December 2019 at 05:00 hours, LAS called Police to reports of a Male being bottled with an injury to the victims head. This was then updated to 'a Male has been stabbed at location' Cris 2340145/19 and CAD 1618/15DEC19 Refers.

The victim was with three friends, all are [REDACTED], arriving on 14/12/2019.

The victim stated that a verbal argument started between himself and the suspect. He then saw the suspect produce a pocket knife and then stab him in the face.

CCTV shows the argument, then the suspect picks up a glass tumbler from the bar, it is not clear where the tumbler ended up. The Suspect then makes downward stabbing motions after which blood is seen on the victims coat. The Suspect is then seen folding a presumed pocket knife and putting it in his trouser pocket.

Injuries sustained by the victim are a stabbing to his head, neck and back. The Victim is currently in an induced coma and intubated, due to surgery in order to stop the bleeding from his neck.

He is in a critical condition.

We have scrutinised Police indices and there does not appear to be any record of a call made to Police by staff at the premises.

This venue has recently come to Police notice and a Police representation has been made regarding the renewal of the Sexual Entertainment Venue Licence.

Given the serious nature of this incident the premises needs to be closed whilst investigations are undertaken and to ensure public safety and an immediate suspension of the licence is being sought".
